INCÊNDIOS DE JULHO DE 2012

Novamente a Madeira é fustigada por uma calamidade. Desta vez, um grande incêndio na zona limítrofe da cidade do Funchal (zona alta de S.Gonçalo/Camacha e Gaula, além de outros focos noutros zonas (Oeste).

O Funchal assistiu, no inicio da noite de 18 de Julho, após um dia de imenso calor, a um grande incêndio, com chamas altas no arvoredos e casario, num galopar inquietante do fogo, face aos ventos fortes, serra acima e propagando-se velozmente, pela noite.

Pela hora, pela localização dispersa, pela voracidade, pelo impacto, pela proximidade das casas, a opinião dominante é de que se tratou de fogo posto.

Tirei, da minha casa, impressionado pela força e cor do fogo, algumas fotos.

Aqui ficam, a par de outras que recebi, para dar conta desta noite e da dimensão e impacto deste incêndio, que deixou um rastro de destruição e dor, pois apesar de não ter implicado vítimas, deixou muita gente sem os seus haveres, a sua habitação, os seus animais, as suas hortas e os seus bens.
